RHUS COTINUS ROYAL PURPLE  
(New dark purple-red leaf Smokebush)

There are several varieties of Purple Smokebush although Royal Purple is considered the very best. A number of varieties of Smokebush have been tried out in the nursery with Royal Purple always turning out to be the most outstanding. I am convinced of this to the extent that it is the only one now being propagated in the nursery. Royal Purple keeps its rich dark purple reddish colored foliage from Spring to late Fall. In late summer the matured leaves show a mottled edge which is
